

MN VASCULAR SURGERY CENTER NEW BRIGHTON, MN

Minnesota Vascular Surgery Center is among the Twin Cities' leading specialty clinics dedicated to vascular access care & treatment of patients with vascular disease. The MN Vascular Surgery Center is a partnership of Kidney Specialists of Minnesota & Minneapolis Vascular Physicians.

Total Facility:	4,218 ft² surgical suite
Total Project Costs:	\$21,550
Project Payback:	1.5 years
Annual Energy Savings:	55.4%
Financial Incentives:	\$3,783 rebate from Xcel Energy

"Gilbert Mechanical substantially reduced our energy consumption costs by working with the Minnesota Department of Health to optimize our surgery center operation. Their success was highlighted at the MN Health Engineers Annual Conference in 2010."

Troy J. Roovers, CEO of Minneapolis Radiology & Minneapolis Vascular Physicians
